Dear Mr. Daniels:

The Co-op Mining Company agrees to the stipulations that are listed in your letter of March 12, 1980 (copy enclosed) number one through number six, for the approval of our Bear Creek Canyon portal.

We request that the Division approach the Board for consideration at their meeting on April 11, 1980, so we can begin work at the earliest possible date, in order to be able to complete it during the 1980 season. Our agreement with Castle Valley Special Service District is being completed, and a copy will be sent to you before the April 11 meeting.

Respectfully,

W J Owen
